In G.O. No. 1-9/S.P. 197-18-3 dt 9-6-19 (Camp Mysore) the purchase of a new building for Rs 30000/- for the location of the chattram was sanctd and the sources of meeting the cost have been detailed in para 4 of the order.

2. In para 6 of the order, there is a direction for the sale of the old building and crediting the proceeds to the funds of the institution - It will be seen from para 16 of Mr. Aravamudu Iyengar's note in P.P. 197-18 that the ~~value of the~~ sale proceeds of the chattram was estimated at Rs 3000/- The offer now received is only Rs 2500 and the Huzur Secretary thinks that it may be accepted - Orders are solicited as to whether the offer may be accepted.

3. The next point for orders is the disposal of the monthly rental of Rs 25/ The Ch: Secretary to H.H. the Maharaja of Benares requires instructions as to whether the sum should be remitted here monthly or deposited in any Local Bank to the credit of the Mysore State account - If approved, the amount may be credited monthly to the funds of the institution -

The portion relating to the sale of the old Chalkirim building [illegible] for Rs 2500/- as [illegible] suggested by the Ch. Secy. to the Benares Raj is clear enough. But what Ch. refers to the rent of the building purchased at a cost of Rs 30,000/- for Chulkirim purposes is not clear to me. If it means that the building now purchased is to be used as a Chulkirim office for which or how, does the rent accrue? If how ever it relates to a previous period where does the monthly remittance of the amount suggested come in? The position may be made clear to me.

Mys File No. 568 of 1919.

Serial No.

It is true that the reference on the previous P.P. 197-18 put up herewith gives no information on the point ~~raised~~ raised by the Member of Council. A chattram and ghaut were purchased for Rs 30000/- The word "Gangatir Mutt" is introduced for the first time in the letter of Col: Vindeswari Prasad and whether it refers to the entire building purchased or only to a portion of it is not clear. It will be seen from para 15 of the note in P.P. 197-18 that the building requires improvements at a cost of about Rs 15,000. It may, perhaps, be inferred that the building or a portion of it had been rented out by the Benares state, before its purchase by the Mysore Govt and the rent will continue to be realized, till the building is improved and made suitable for the location of the Mysore chattram. A reference will, if approved, be made to the Hyde Secretary on the point.

Col Vindeswari Prasad's letter dt 3-3-20 says that "the Gangatir mutt which has "been purchased by H.H. the Maharaja of Mysore "from one Nath fetches a monthly rental of "Rs 25 ~~a month~~ which is legally yours since the "Purchase money Rs 30,000 has been paid here."

This makes it clear that the building purchased (re-purchase of it) has been rented out for Rs 25 per month. It is only after the old building has been sold that Dr. Chatham can go to the new building.

12 In reference to the Hygiene Dec^r Proc

13 the points for orders are:-

1) ~~Whether to reply~~

Whether the offer of Rs 2500 for the old building may be accepted

2) If so, should the amt be sent here (mur: dec:)? Para 6 of GO No 1-9/Misc (9)-18.3 & 9.6.19 says that the sale proceeds shall be credited to the funds of the institution.

3) Should the monthly rental of Rs 25- that the new building fetches be sent here every month or may it be deposited in any local Bank at Coimbatore to the credit of the Mysore State account?

As was to be anticipated the existence of the cremation ground close by & of the Lingams &c within the premises was known; but it was nevertheless considered that all factors taken into account it was more suitable in every way than the old Chukkim building. The Sangatin result has the decided advantage of a river front & on the occasions of the visits of Their Highnesses, it will be very convenient to make arrangements for ceremonial purposes. As regards the proximity of the cremation ground, the inconvenience can, it is understood, be got over by raising the height of the boundary wall on that side. Furthermore in cities like Benares, Calcutta & Bombay, the nearness of a cremation ground is, notwithstanding all unpleasantness, an inevitable [redacted] which has got to be faced. Note re the New Mysore Chattram at Benares.

2nd) I inspected our new Chattram during our recent visit to Benares. The place was in a very neglected condition. The Agent in charge of the Chattram lives three miles away and does not seem to visit it often enough, or take any trouble about it. It is perhaps for this reason that he is condemning the Chattram as unsuited for the purpose. I have satisfied myself and the whole of our party too who visited the Chattram agree with me that the building ought to do very well as a Chattram for visitors from the South. It is situated in a locality where people from South India chiefly live. The Agent's complaint that it is too close to the Burning Ghat is not worth considering. We know perfectly well at the time of purchase that the Burning Ghat was not far off, but it is not so close as to cause any inconvenience to people living in it.

The present Agent's management of even the old Chattram was far from satisfactory. It is desirable that he should be relieved of this office and another man appointed in his place. The sooner this is done the better. Bodhayana Rama Sastry who lives within three yards of the new Chattram may be appointed Agent. He will always be on the spot and may be expected to give better satisfaction than the present man.

The building is in urgent need of repairs. It wants at least Rs.1,000 or so to make it habitable and tidy. This is a work which may, with advantage, be entrusted to Mr. Madhuram of Messrs. Maniram Harijeevanram, Silk Merchants, Gai Ghat, Benares City, who told me that he would gladly undertake to do this work for us.

Copies of two Samanads under date 29th April 1859 & 17th Aug. 1864 issued to Kasi Seska Sastry and his son Venkatarumba Sastry are put up together with an English translation. The originals of these are said to be in the possession of Pandit Kasi Venkatacala Sastry, Professor of Vyakarana, Maharaja's Sanskrit College, who is one and a Committee of the present Manager Pandit Kasi Seska Subrahmanya Sastry. In addition to these, there seems to be an earlier Samanad of 1822 issued to Pandit Seska Sastry when the Chatram was founded but neither the original nor a copy of it is available.

BENARES CHATTRAM.

A building named "GANGATIR MATT" on the bank of the Ganges at Benares City has recently been purchased for the location of the Mysore Chattram and it has also been decided to sell the old building to the Sri Vyasarayaswami Matt.

2. In his note dated 29th December 1921, re the New Mysore Chattram at Benares, the Huzur Secretary states that the present Agent's management of the old, as well as the new Chattram, is far from satisfactory and suggests --

(1) that he may be removed from the office and another man appointed in his place and

(2) that the work of urgent repairs to the new chattram building, at a cost of Rs.1000/- or so, may, with advantage, be entrusted to Mr. Madhuram of Messrs Mathuram Harijeevanram, Silk Merchants, Cai Chat, Benares City; and requests that His Highness may be informed in due course how far the above suggestions have been given effect to.

3. With regard to the first point, it will be seen from the previous records on the subject that the management of the Chattram has from the beginning, been entrusted to the members of the family of Kasi Sesha Subramanya Sastri, in hereditary succession, under Sannads granted by

His

His late Highness Sri Krishnaraja Wodeyar III and as such, it seems necessary, before further action is taken, to call upon the present representative, Vidwan Kasi Sesha Subramanya Sastry, to show cause why other arrangements, with a view to better management, should not be made now, as there is evidence to show that the state of affairs of the Chattram and its management is anything but satisfactory. In this connection, kind attention is invited to Mr. E. MacMonochie's D.O. letter dated 19th March 1906 and Mr. L. Anantasami Rao's reply to it dated 26th March 1906.

4. As regards the 2nd point, it may be stated that the sale of the Old Chattram building to the Sri Vyasarayaswamy Matt for Rs.2,500/- has been decided upon and that the cost of urgent repairs now proposed to the new building to make it habitable and tidy may be met from that source.

5. The Chief Secretary, Benares State, has, in this office letter No.2227/Muz.F.568-19-35 dated 4th November 1921, been requested to dispose of certain lingams in the compound of the new building, and informed that after receipt of intimation of their disposal, the sale-deed would be signed and sent for registration. After receipt of a reply from him, further action in this matter will be taken.

6. Mr. Madhuram will, in the meantime, be requested to furnish us, in the first instance, with an estimate of the cost of the urgent repairs required to be executed to the New Chattram building.

D^o from No 211 18/2/22

My dear Sir,

I am directed to return the file fowarded with your letter of the 15th Instant, on the subject of the Mysore Chattram at Benares. His Highness is not disposed to attach any importance to the alleged hereditary claims of the present Agent to the office. The fact that his management of the Chattram has not been satisfactory, affords ample justification, His Highness thinks, for his removal from the office, and for putting in another man who is likely to do better, in his place. In any case, a change seems desirable, as the present incumbent is by no means enamoured of the new Chattram.

His Highness will be obliged if the other matters too, relating to the Chattram and referred to in the Secord Member's Note, are disposed of as expeditiously as possible.

Yours sincerely,

In this connection I would also like to point out that the Gangatir Muth which has been purchased by His Highness the Maharaja of Mysore from our State fetches a monthly rental of Rs.25/- a month which is legally yours since the purchase money Rs.30,000/- has been received here Kindly instruct me whether the sum should be remitted to you monthly or deposited in any local Bank to the credit of Mysore State account.

What about the building the Mysore Ghat house here ? When do you think you will start the works ? I think the best course for you will be to get it done by our State Engineer. You may send out your plan and ask our Engineer to submit an estimate I am sure my Maharaja will gladly give necessary permission to his state Engineer. I may suggest that the more you delay the more expensive it will be. Bricks have gone up from Rs 18/- per thousand to Rs 24/- per thousand within the last two months. Labour is going up every day

I do not know how a building so unfavourably situated in every way was purchased at a heavy cost. ~~[illegible]~~ Provision has to be made now for a watchman, for a pujari for the worship of the gods and for puja articles. A watchman cannot be had for ~~Rs~~ less than 10 or 12 Rs. I request early orders in the matter. Otherwise, there is the fear of the doors etc being lost. SECTION I-97
FILE No. 568-19

To

The Secretary to Government of
His Highness the Maharaja of Mysore
(Muzrai Department)

Dated, Fort Ramnagar, the 12th September, 1921.

SIR,

With reference to the correspondence ending with this office letter No.2383/XIX-130(1919-20), dated the 31st August,1921, I have the honour to say that the Shiva temple outside the Math premises belongs to the Benares State. It is situated on the abutment of the building and has no connection with the Math sold to the Mysore State. It has been and,it is hoped, will be open to public for worsh worship. The State as heretofore will look after its repairs from time to time when required.

As regards the lingams I beg to say that they have been lying under the tree from a long time. It is not known who kept them there but as they are not properly enshrined and consecrated they may either be removed to some other place or may be thrown into the Ganges.

As to other stones lying there I beg to say that these were stored there when the abutment was being repaired. They belong to this State. The State Engineer is being asked to have them removed and clear out the spot within a week.

I have the honour to be,
Sir,
Your most obedient servant,

Vindhya-Nara

Chief Secretary.
